## Experience:

### Junior Consultant, Three Wheels United

June-October 2019 | Bangalore, India

**Role:** Competitive social entrepreneurship fellowship with an Indian startup financing electric auto rickshaws

**Activities:** Develop market entry strategy for India's largest metro, streamline customer acquisition process, create concise narrative video demonstrating social impact

### Product Management Intern, Equinix

June - August 2018 | Sunnyvale

- Designed 20+ wireframes for reimagining marketplace portal
- Presented mockups to management for product roadmap approval
- Won 2<sup>nd</sup> out of class of 74 interns in final project showcase to panel including current CEO

### Founder & Host, Voices of Santa Clara Podcast

September 2017 - present

- Started podcast from scratch and published 60 episodes
- Interviewed multiple university presidents and deans, professors from 20 different departments, and dozens of students
- Won 2<sup>nd</sup> best college podcast in CA (2019 California College Media Awards)

### Video Producer, Miller Center for Social Entrepreneurship

January 2017 - June 2018

- Filmed, edited, and produced over 120 videos to upgrade 90% of all curriculum for the world's leading university-based social enterprise accelerator program (based at SCU)

### Marketing Intern, Yolo Habitat Conservancy

June 2017- September 2017

- Condensed 2,000+ page scientific report into concise summary documents and webpages leading to positive public sentiment that resulted in the approval of a 50-year habitat conservation plan

### Challenge Winner

July 2014 - August 2015

- Built educational program "[Preflight Challenges](#)" through OpenIDEO online platform to bring professionals into high school classrooms to host challenges related to their work
- Received on-stage recognition at national Clinton Global Initiative conference in NY from Nicholas Kristof
